Dear ATGENDER supporters,

This newsletter concerns the procedures for becoming a full ATGENDER member.

To become an official member of ATGENDER and, therefore, to be able to vote in the General Assembly (GA) you need to pay your membership fee for 2010.

The first GA will take place during the 18-19 February 2010 conference in Brussels, so it would help us a lot if you could pay your fees in advance. The second option is a cash payment during the conference.

You can either choose an individual membership or an institutional membership.

Within both categories you can, with a grounded reason, apply for the reduced fee rate, simply by emailing a request to the secretariat, which will then put the request to a vote by the Board members and respond back to you as quickly as possible.

The ATGENDER banking details are listed below.

When you pay the membership fee, please email the accompanying registration form to [info@atgender.eu](mailto:info@atgender.eu)

**Bank details:**
